## Answering Service Monthly Rates

### Description of Service

**BASIC SERVICE** is a combination of voicemail and live operators. A customized greeting directs callers to leave a voicemail message for your office, or to press a key that transfers them to a live emergency operator. The live operator dispatches maintenance emergencies and security issues to your personnel.

### Optional Add-on Features

**DAILY CALL LOG:** Live operator call records are faxed or emailed to you daily. Cost is \$10 per month.

**MENU ITEMS:** Add a *Spanish menu* or selectable *leasing information*. Cost is \$2 per month.
